 CC : & CORPORATE PLANNING;
 FROM : PLANNING DEPARTMENT
 DATE : SEPTEMBER 30, 2020
 SUBJECT : CAMELLA STANDARD FENCE & ECOBINS

I. GENERAL STATEMENT

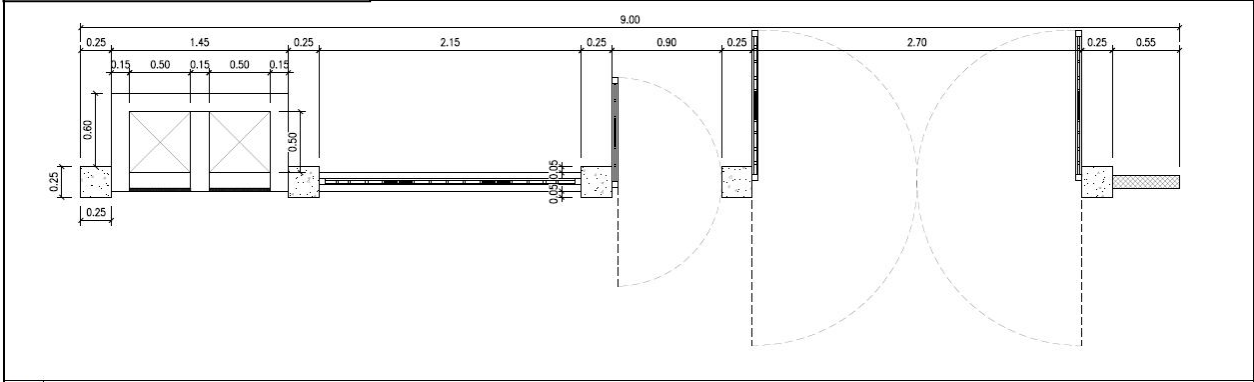

In line with maintaining order and cleanliness across all Camella Subdivisions, and supporting Ecological Solid Waste Management Act of 2000 as a policy associated with the proper disposal of solid wastes, it is agreed to provide a standard design of Fence with built-in Ecobins as an option for existing Camella Homeowners to follow and construct. However, ecobins are mandated to be implemented in these new and future projects:

1. Camella Alfonso
2. Camella Gentry Phase 3
3. Camella Urdaneta Expansion (Crisiente)
